MAGC invites you to join us for a professional development workshop and networking with colleagues.

Got The Picture? – Part 2

This workshop builds on the topics covered at the digital photography workshop held in July. Sean Morgan from National Camera Exchange will be back to share his expertise on using a digital SLR camera. If you want to expand your usage of your digital camera – don't miss this workshop!

Tuesday, Sept. 30, 2008
Centennial Lakes Park Centrum
7499 France Ave. S.
Edina, MN 55435

Topics will include:

- Lens Compression and Keystoning
- Depth of Field Factors
- Controlling your ISO
- Using Top-Mount Flash
- Understanding Histograms
- Understanding Camera Light Meters
- Exposure Compensation
- Effective Use of Available Light

Participants are encouraged to bring their cameras to the workshop.

After the session, join your peers for lawn bowling at Centennial Lakes (weather permitting). If weather is a factor, MAGC will host a networking event at a nearby local establishment.
